Index 1 (Peak Age) Predicted

The graph displays several data series over time. The series include:

- Red line with circles:** Starts at the top left, peaks early, and then fluctuates.
- Blue line with triangles:** Shows a general downward trend with some fluctuations.
- Green line with crosses:** Fluctuates significantly, with a notable peak in the middle.
- Orange line with diamonds:** Shows a general upward trend towards the end.
- Grey line with pluses:** Fluctuates throughout the period.

 The markers are placed at various intervals along the lines, and the overall trend is highly volatile.
